

Building Community Capacity for Children and Youth with Special Health Care Needs in the Keys

April 25, 2008

9:00am-3:30pm

Harvey Government Center, 1200 Truman Avenue, Key West

This mini - conference brings state and national experts in the evolution of the medical home concept to share state of the art tools, resources, and information on how communities all across the nation are developing a medical home approach to help them serve their children and youth with special health care needs and their families.

For more information contact: Jessica Delgado at 1-877-926-3514 or locally 305-293-7626
